Subject: Harrisburg Sensitive Areas

Enclosed are two letters. The first letter was from Malcolm Pirnie, THA's contractor who wrote the original LTCP. This letter identified 4 sensitive areas, which includes City Island swimming beach, Borough of Steelton raw water intake, City of Harrisburg emergency raw water intake, and the Susquehanna River and associated sensitive areas. The fourth sensitive issue was later identified to be the impoundment created by the Dock Street Dam. CRW may have a good
